## Ecotourism Destination Spa Resort

#### The Lifestyle...

*is a unique concept of offering people the opportunity to be their best physically and in every aspect of their lives.*

#### Our Destinations...

*are luxurious, private and secluded. They are the ideal place for those who want to disappear and melt away in luxury for hours, days or weeks.*

#### As a Member...

*you can visit or stay at any of our worldwide destinations anytime and for as long as you need, plus over 500 Exchange Club resorts.*

#### Services...

*include a broad range of aesthetic, cosmetic and spa services. Relax, enjoy great food, it's all yours.*

#### Annual Credits...

*are issued when you become a Zacona member. Use like cash to purchase services and products at any of our facilities.*

#### Who We Are...

*We are a developer of ecotourism properties worldwide. Our developments are used primarily as Destination Eco Spas and Health Resorts.*

*Our developments are marketed for purchase as a Zacona Destination Club Memberships (ZDCM). Similar to a timeshare, Zacona Vacation Club member acquires the 'right to use' and is assigned a percentage of the total property not just one room unit. Additionally, as a Zacona Member you receive annual credits for services and products. In the destination resorts, the buyer can use their annual credits to pay for all or part of their stay, plus spa services and products. Optionally, the fully paid member can opt to join the Zacona Vacation Rental Program and receive rental returns based on an average from all resort services and uses.*

*There are no seasons and no time slots. Members are assigned 'right to use' and memberships are un-deeded.*

*There are no closings costs or Annual Fees.*
